We, the undersigned authors;

Hereby warrant that the article we have submitted is original, it was not submitted to any other journal to be published, and even if it was published in whole or in part, all permissions that are required to publish this article in the above mentioned journal were obtained and submitted together with the original copyright form. We hereby agree to waive the copyright of the article assuming the responsibility and signing here under. The copyright of the article is hereby transferred to Cerrahpaşa Medical Journal and the said journal is authorized to publish the article. However the following rights of the authors shall not be prejudiced.

1. All proprietary rights including patents, apart from the copyright;
2. The right of the author to use the article in part or in whole in his future studies such as books and courses without paying any fees; and
3. The right to reproduce the article for his own purposes provided that he shall not sell the article.
